

USB Interface

For length measuring probe versions GT2x, GT3x, GT4x and FMS 100/102

Application:

To connect an electronic length measuring device or lever gauge probe with 5-pin plug in line with DIN 45322, for example, to a computer with USB interface.

Art. no.	39665 400
Brand	TESA
Manufacturer Part Number	03260500
Measuring input signal	Analogue (half bridge)
Measuring output signal	Digital
Limit value of deviation range	0.3% ± 0.1 µm
Number of rechargeable batteries/batteries	0
Gross Weight	0.159 kg
Product Group	362

EAN

7630041113419
