RS PRO Wire Stripper, 0.08mm → 2.5mm

RS Stock No.: 382-2847

RS Professionally Approved Products bring to you professional quality parts across all product categories. Our product range has been tested by engineers and provides a comparable quality to the leading brands without paying a premium price.

Product Description

From RS PRO, this professional fully automatic self-adjusting wire stripper is for use with round, oval and flat wire and cables. With an adjustable sliding stop to control the length of the insulation stripped, you need only squeeze the handle to remove wire insulation in a quick and smooth motion.
