

## Workplace mat made of natural rubber – individual mat

Textured structure, height 14 mm

### Application:

For dry areas of application and normal use such as on workbenches, assembly laboratory areas, packing tables, inspection stands.

### Version:

- Black, closed mat with textured surface
- Can be used as an individual mat
- With all-round bevelled edges for safe access

### Advantage:

- Textured surface continuously stimulates the circulation in order to reduce symptoms of fatigue when standing for extended periods
- Effortless design of production lines thanks to dovetail connection

<b>Art. no.</b>	<b>50225 411</b>
