| Change Description                                                        | The purpose of this letter is to inform you that due to increased demand, exceeding the existing assembly equipment's capacity, Molex is adding new assembly equipment to provide increased capacity and to maintain shorter lead times desired by customers. This change impacts series 43045. |               |  |
|                                                                           |                                                                                                                                                                                                                                                                                                 |               |  |
