

Drawer cabinet system 700 B with 9 SOFT-CLOSE drawers

Depth 700 mm, width 1022 mm

Application:

Particularly suitable for careful storage of delicate, sensitive tools and parts in drawers.

Advantage:

- The damping system brakes the drawer while closing; it closes the drawer smoothly and soundlessly by means of the self-closing mechanism
- Impact load on tools and parts stored in the drawer is reduced to a minimum due to the smooth-closing drawers
- High quality - made in Germany
