

Desk top attachment height-adjustable, with scissor mechanism

940 x 580 mm, height adjustment: 135 - 455 mm

LUXOR
PREMIER WORKSPACE PRODUCT SOLUTIONS

Application:

Turns a normal table into an ergonomic standing desk, creating a healthier and more productive working environment.

Execution:

- The durable steel construction has a maximum load-bearing capacity of 15 kg
- Two-stage design: The keyboard tray is used to place the screen and keyboard on different levels
- Spring-supported scissor mechanism - effortless height adjustment between 135 mm and 455 mm
- The bottom level pull-out has enough space to store the keyboard and mouse securely
- Desk table top material: MDF with PVC sheath in black
- Two-stage design

Advantage:

- Stable and spacious - space for two monitors
- Easy to adjust in seconds
- Ergonomic - supports a more correct sitting/standing position - relieves the neck vertebrae
- Space-saving - moves up and down within its own footprint
- Secure grip thanks to rubber stopper

Art. no.	50311 041
Brand	LUXOR
Manufacturer Part Number	DC-PREMIER-B
Design	Adjustable in height
Load-carrying capacity	15 kg
Adjustable in height	Yes
Min. height adjustment	135 mm
Max. height adjustment	455 mm
Width	580 mm
Height	135 mm
Length	940 mm
Colour	Black
Gross Weight	27.500 kg
Product Group	5AR
