

Tradeforce Christmas Tree Type TPR Reusable Earplugs, Corded, PK 1

Basic data:

ID	0020870002
GTIN	7630268404987

**Features:**

Ear plugs fit into the ear canal to form a seal that reduces sound levels to help prevent hearing loss in noisy work environments. Banded and corded ear plugs can rest around your neck when they're not in use, which makes them less likely to get lost than uncorded ear plugs.

Technical data:

Model:	Conical
Insulation value SNR:	28 dB
Number of pairs:	1
With cord:	Yes
Colour:	Other
Reusable:	Yes
