To Whom It May Concern

Product: New Loctite SF 7850, IDH 2098250

New Loctite SF 7850, IDH 2098250 is a hand cleaner and governed by the Cosmetics Directive and not the CLP Regulations, hence it does not require an SDS.

As a cosmetic it only requires the list of ingredients using the INCI nomenclature to be included on the label.

Should you require any further information, please do not hesitate to contact me.

Yours sincerely,

Products for which an SDS is not required

The requirements to provide an SDS arise from Article 31 of the REACH Regulation.

Certain general exemptions from the need to supply information according to Title IV (therefore including SDSs according to Article 31) are given in Article 2 (6):

"The provisions of Title IV shall not apply to the following mixtures in the finished state, intended for the final user:

(b) cosmetic products as defined in Directive 76/768/EEC;
