

3M™ Dual Lock™ Reclosable Fastener Twin Pack SJ3560, 25 mm x 2.5 m, 4/CV, IPC, Twin Pack

Part Number: SJ356B, Translucent, 2.5M X 25MM, 3M ID 7100123340

Product Overview:

- Designed to give a translucent appearance (glass, acryl glass (PMMA), polycarbonate)
- Snap-in-place installation replaces screws, nails, snaps and rivets
- Five times the tensile strength of typical hook-and-loop fasteners
- Opens and closes 1000 times before losing 50% of its original tensile strength.

Details

- Designed to give a translucent appearance (glass, acryl glass (PMMA), polycarbonate)
- Snap-in-place installation replaces screws, nails, snaps and rivets
- Five times the tensile strength of typical hook-and-loop fasteners
- Opens and closes 1000 times before losing 50% of its original tensile strength
- Features excellent heat resistance up to temperatures of 104 °C
- Designed to bond to metals, glass and high surface energy plastics
- Moisture and UV resistant
- Helps reduce vibration
- Suitable for both indoor and outdoor use

3M™ Dual Lock™ Reclosable Fastener SJ3560 has a clear acrylic adhesive on the back of a clear polypropylene reclosable fastener with 40 stems / cm² and 5.8 mm engaged thickness. Our reclosable fastener has a closure life of 1000 times before losing 50% of its original tensile strength.

3M™ Dual Lock™ Reclosable Fastener SJ3560 has a clear acrylic adhesive on the back of a clear polypropylene reclosable fastener with 40 stems / cm² (250 per square inch) and 5.8 mm engaged thickness. Our reclosable fastener has a temperature performance ranging from -30 °C to 70 °C long-term (+95 °C short-term) and can be used indoors and outdoors. It's suitable for use with metals (aluminium, stainless steel), glass and high surface energy plastics (acrylic, polycarbonate, ABS) and can be opened and closed 1000 times before losing 50% of its original tensile strength.

Suggested Applications:

- Panel and cover plate attachment
- Interior signage
- Decorative trim
- Office partitions
- Graphic attachment
- Access panels, Specialty vehicles (interior attachments), L-bracket edging, repositionable shelving & Hang signage.
