

Datasheet

RS Pro SC Multimode Simplex Fibre Optic Adapter

RS Stock No: **907-5640**

Product Details

RS Pro SC multimode simplex fibre optic adapter in metal colour, securely connects fibre optic cable through an XLR format chassis. It is suitable for wall plugs and rack mounting. This XLR format fibre optic connector is a valuable tool in connecting custom configurations that use standard cabling and is commonly used in digital recording studio systems and network racking.

Features and Benefits

- Fits a standard XLR cut-out
- Can be mounted from front or back
- Low rear profile ensures space saving
