NEW
Compatible Toner
for use in Canon iR-1018, 1019, 1020, 1022i, 1023

With the iR-1018 to 1023 Canon has recently introduced a new series of powerful and energy saving desk top multifunctional printer. Print, copy and fax in black and white at 18 to 22 ppm as well as duplex, scan and send function in colour are the main features. of these compact and professional devices for small businesses.

All models provide superb 1200 dpi print resolution and duplex mode as standard and can be easily connected to the network by using Canon's proprietary printer language UFRII Lite – and a PCL printing option is provided too. The innovative on-demand fixing technology enables an energy saving sleeping mode which is automatically initiated when the device is not in use. Once needed the iR-1018 to 1023 are fully operational again in less than 5 seconds.

With its compatible toner for use in the iR-1018 to 1023 multifunctionals CROSS Imaging Supplies is offering a compatible toner for OEM equivalent performance and image quality at substanially lower cost. This toner is therefore not only enlarging CROSS's range of premium quality toner for use in Canon copiers/printers but also provides to distributors and dealers an excellent business opportunity, and trouble free logistics without compromising on quality.

Advantages & Benefits

▶ OEM equivalent performance and image quality.
