Application:

As a switching magnet or sensor magnet

Execution:

- By lining up individual magnets, bar magnets can be formed in any length.

Art. no.	51178 501
Brand	ORION
Manufacturer Part Number	51178501
Diameter	6 mm
Diameter x length	6 x 20 mm
Adherence strength	4 N
Gross Weight	0.004 kg
Product Group	592

EAN

4039247263158
