

Round-nose pliers, short jaws, with 2-component grip covers

Steel surface plain, polished

Application:

For bending grommets with different radii for wire-shaped materials.

Execution:

- Chrome-vanadium electric steel, forged, oil-hardened
- Round, short jaws, finely ground

Advantage:

- Safe, ergonomic and fatigue-free working thanks to two-component handles

Art. no.	53069 160
Brand	KNIPEX
Manufacturer Part Number	22 02 160
Length	160 mm
Surface	Plain
Material of handle	2-component plastic
Design	Short
Gross Weight	0.167 kg
Product Group	535

EAN

4003773023173
