

Datasheet article 452050

Aluminium PROFI-Box 30 L

silver, 335x430x273 mm

- corrosion, weather and temperature resistant
- despite their light weight, they are extremely stable thanks to their circular reinforcing seams (reinforced sides and corners)
- stable lever-action closures with holes for padlock, lead seal, and fitting of cylinder locks
- plastic-covered folding safety handles for convenient transportation
- the surrounding rubber seal protects the contents against external influences such as dust and splash water
- Rebound straps on the lid prevent the hinges from tearing
- made of 1.0 mm thick aluminium and lid 1.5 mm / highly stable
- separate accessories: Set of wheels, cylinder lock set
- with 1 handles / max. load 30 kg
- other sizes and varieties are available upon request (custom-made items available starting at 50 units)
