RS PRO Drill Vice x 32.5mm 150mm x 220mm, 11.7kg

RS Stock No.: 771-9300

RS Professionally Approved Products bring to you professional quality parts across all product categories. Our product range has been tested by engineers and provides a comparable quality to the leading brands without paying a premium price.

Product Description

This RS PRO drill vice is ideal for using to clamp a work-piece before drilling or machining occurs. The work-piece is clamped securely in between the large capacity parallel jaw of the vice, to ensure even the most difficult drilling jobs can be carried successfully without any movement when the drill bit touches the surface of the work-piece.
