

## Hydraulic coupling

### Application:

For quickly connecting and disconnecting hydraulic lines.

### Version:

- With threaded connections, coupling sleeve for cylinder side and coupling connector for hose side
- Ref. no. 29733010 AG30 1/4 NPT coupling complete
- Ref. no. 29733050 A 604 3/8 NPT coupling complete
- 

<b>Art. no.</b>	<b>29733 110</b>
<b>Model</b>	C 604
<b>Connection thread</b>	3/8 inch
<b>Flow rate</b>	35 l/min
<b>Operating pressure</b>	700 bar
