

Key cabinets

With electronic lock and combination code

Application:

For secure and clearly-arranged storage of your keys, equipped with a modern electronic rotary combination lock, which is easy to program with a user code (3 to 8-digit). This means that a large number of users can be granted or refused access at any time without any need for additional keys.

Advantage:

- Rotary combination lock which is easy to program with a user code
- Grant or refuse access to multiple users at any time
- Mechanical opening possible in an emergency using an additional cylinder lock

Delivery:

incl. 4 x 1.5 V AA (Mignon) batteries for the combination lock and fastening material for wall mounting

Art. no.	50027 032
Brand	WEDO
Manufacturer Part Number	10263237
Number of hooks	32 PCS
Height	450 mm
Width	300 mm
Depth	95 mm
With internal tables	No
Material	Sheet steel
Surface	Powder-coated
Colour	Light grey RAL 7035
Gross Weight	3.929 kg
Product Group	505

EAN

4003801805276
