Universal Toner

For use in Canon iR-2230, 2270, 2830, 2870, 3025, 3035, 3045, 3530, 3570, 4570 (type C-EXV11, C-EXV12)

The Canon iR-2230 to iR-4570 are complete space saving communication hubs that combine highly secure print, copy, scan, fax and distribution services, enabling organizations to efficiently manage documents for small office work groups from a single source at controlled cost. The devices offer document output from 22 to

45ppm and can be perfectly adjusted to the workflow. Information can be distributed through various means, including fax, and email, ensuring workplace productivity is increased and cost are kept at a minimum.

While the OEM (Canon) is offering one toner for iR-2230 up to 2870 (C-EXV11) and another for iR-3025 up to iR-4570 (C-EXV12) CROSS is offering an universal toner cartridge for OEM equivalent performance and image quality at substantially lower cost. This toner is therefore not only enlarging CROSS's range of premium quality toner for use in Canon copiers/printers but also provides to distributors and dealers an excellent business opportunity and trouble free logistics without compromising on quality.
