Toner for use in

Canon iR-1730, 1730i, 1740, 1740i, 1750, 1750i (C-EXV37, GPR-39)

The Canon Image Runner iR-1730, 1740, 1750 are the latest Canon desktop A4 b/w copiers and were introduced in late summer 2011. All devices are featuring higher durability than the previous iR-1100 series machines and are ideal for smaller to medium size work-

groups. With printing speeds of 30 and 40ppm respectively 50ppm at superb 1200dpi and multifunctional attributes including print, copy, scan and fax these devices are perfectly suited for the day-to-day office tasks and are already largely populated in the EMEA markets.

Printing-cost and total cost of ownership of these devices can be significantly reduced without compromising on image-quality or performance by using CROSS Imaging-Supplies' Premium Quality compatible toner (made in Japan).

Advantages & Benefits

- ▶ OEM equivalent performance and image-quality.
- ▶ Significant reduction of cost per copy.
- ▶ Sourced directly from the manufacturer.
- ▶ Also as bulk toner available for local filling.
- ▶ Technically supported by the toner manufacturer.
- ▶ Competitively priced premium quality product.
- ▶ Deliverable from Warehouse near Stuttgart.
- ▶ Free of charge samples for testing.
- ▶ Selective distribution through competent reseller only.
