After Change

Overview

- To ensure reliable, consistent and secure supply to customers, we are aligning packaging and delivery standards across all locations produced and sold from.
- Product/Process Impact
 - There is no packing drawing change, no change to product, no impact to fit, form or function.
 - For most products, there will be no changes to delivery quantities and we are aligning internal systems to ensure no orders are delayed due to errors in data
 - Some products will no longer be repackaged between the production location and end customer to ensure prompt, high quality service
- Part Number Impact
 - See attached impacted parts list
