- Compatible with DILA contactor relays or DILM7 to DILM32 motor contactors

RS PRO Auxiliary Contact, 2 Contact, 1NC/1NO, Front Mounted

RS Stock No: 250-8910

RS PRO is the own brand of RS. The RS PRO Seal of Approval is your assurance of professional quality, a guarantee that every part is rigorously tested, inspected, and audited against demanding standards. Making RS PRO the Smart Choice for our customers.

Auxiliary Contact

Product Description

Upgrade your electrical control circuits with an RS PRO auxiliary contact. This small yet mighty component is a game-changer for industrial settings, ensuring optimal functionality and enhanced safety for your electrical equipment. Designed to seamlessly integrate with DILM contactors, or DILA relays, this 2-pole contact block is a must-have for any serious professional. Don't compromise on quality or reliability - choose an RS PRO front mounting auxiliary contact block for superior performance and peace of mind.

General Specifications

Contact Current Rating	4 A ac, 10 A dc
Contact Voltage Rating	220 V dc, 500 V ac
Operating Temperature Range	-25 to -60 °C
Frequency	50/60 Hz
Pole and Throw Configuration	DPST
Normal State Configuration	1NC/1NO
Mounting Style	Front Mounted
Terminal Type	Screw
Number of Poles	2

Approvals

Declarations	CE
Standards	IEC/EN 60947, VDE 0660, UL, CSA
