

## Hydraulic oil

### Application:

For filling Enerpac pumps.

### Version:

- Excellent lubrication characteristics with optimum power transmission
- Protects the wear and tear parts
- Density at 15°C = 0.895 g/cm<sup>3</sup>
- Flash point 218°C
- Cloud point -21°C
- Viscosity at 40°C = 64.5 mm<sup>2</sup>/s

Art. no.	69610 040
Contents	5 l
