

Combination wrench Joker 6003

with socket end angled by 15°

Execution:

- By combining the 7.5° swivelled jaw and the bi-hexagon geometry, a doubling of the socket positions is achieved.
- The low return angle in the jaw packs the screw every 15°
- Slim socket end angled by 15°
- With Take it easy colour coding according to size

Art. no.	52033 020
Brand	WERA
Manufacturer Part Number	05020500001
Width across flats	20 mm
Length	230 mm
Surface	Chrome plated
Material	Chrome-vanadium steel
Gross Weight	0.209 kg
Product Group	542

EAN

4013288218797
