

## Dimensions

### Model Number

**REF-A25**

Reflector, round  $\varnothing$  25 mm, self-adhesive

### Features

- Self-adhesive for simple installation

## Technical data

### General specifications

Construction type	circular
-------------------	----------

### Ambient conditions

Ambient temperature	-20 ... 85 °C (-4 ... 185 °F)
---------------------	-------------------------------

### Mechanical specifications

Material	PMMA/ABS
Dimensions	Diameter: 25 mm
Mounting	self-adhesive
