

Universal magnetic vice jaws 100, 120, 125, 140 and 150 mm

Aluminium with longitudinal grooves

Application:

For simple and quick attachment to all vices.

Execution:

- With integrated permanent magnet
- Aluminium with a hardness between copper and lead
- Six recessed grooves hold the workpiece securely
- A deeper groove is used to securely clamp e.g. thin shafts

Advantage:

- Precise and gentle clamping

Delivery:

In pairs

Art. no.	51068 500
Brand	HEUER
Manufacturer Part Number	110100
Jaws width	100 mm
Jaw design	Grooved
Material	Aluminium
Gross Weight	0.181 kg
Product Group	513

EAN

4010898710000
