

PRODUCT SPECIFICATION

| Electrical Characteristics | | | | | |
|----------------------------|--------------|---------------------|-----------------|--|--|
| Input Voltage | 230V AC | Input current | 25mA @ 230V AC | | |
| Frequency | 75 FPM | Light Source | Non-replaceable | | |
| Flash Mode | Single flash | Flash Pattern | N/A | | |
| Technology | Xenon | Power rating | 2W | | |
| | | Estimated Tube Life | 3,000 Hours | | |
| | | | | | |

| Photometric Characteristics | | |
|-----------------------------|----------------|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Colour | Amber | Polar Plot |
| Max intensity at HV0 | 20 cd from top | 350 _{20,000} 10 20 |
| Min intensity | 6 cd from side | 330 18.000 30 |
| Timing Diagram | | 11000 |
