

Performance you can trust

ULTRAGLIDE SPRAY Machine Tool Slideway Lubricant

ROCOL® Ultraglide Spray is specially designed to overcome “stickslip” phenomena and provide smooth and precise movement of machine tool slideways, collets and chucks. The extreme pressure agents and anti-wear additives reduce wear, while the adhesive qualities of the lubricant reduce draining to a minimum, ensuring effective performance over a long period of time.

Features

- Resists washing action of coolant and protects against corrosion.
- Provides lasting lubrication.
- Clings to vertical faces, and does not fling off rotating parts.
- Easy to apply into inaccessible areas.

Directions for Use

Shake well before use, hold upright and spray from a distance of 15 to 30cm.

Test compatibility with painted or coated surfaces, plastics and rubbers prior to application

Appearance (applied film)	Clear brown oil
Odour	Characteristic
Propellant	LPG
Solvent	Hydrocarbon
Kinematic Viscosity (applied film)	68 cSt at 40°C
Storage	Store below 50°C, keep out of direct sunlight
Pack Sizes – Part Codes	400ml - 52041
