

Performance you can trust

FOAM CLEANER Spray

Powerful fast acting foodsafe foam cleaner

Product Overview

ROCOL® FOAM CLEANER Spray is a water based foam cleaner in aerosol format. It is NSF Registered category code A1 - suitable for use in and around food processing areas. The cleaner is also ideal for use in many other industrial environments.

The product produces a fast acting white foam to efficiently clean work surfaces. The foam will cling to vertical surfaces, preventing contamination by run-off or dripping.

Typical Applications

- Food preparation areas.
- Food packaging areas.
- Other industrial workplace environments.

Features and Benefits

- ROCOL FOAM CLEANER Spray has metal detectable plastic components (aerosol caps and actuators) capable of detection by most metal detection equipment.
- Foodsafe cleaner which cuts through all general grime, grease, dirt and other workplace contamination.
- Foaming action ensures long contact time for effective cleaning, even on vertical surfaces.
- Anti-static formulation.
- Ideal for all non-porous surfaces.
- Blue spray nozzle for easy identification as a foodsafe product.

Directions for Storage and Use

- Shake aerosol well before use.
- Test compatibility with painted or coated surfaces prior to application.
- Apply from a distance of 15 – 30 cm.
- Allow sufficient time for the foam to penetrate the contamination (typically 15 seconds).
- Wipe the surface clean with a damp cloth.
- Repeat the above cleaning procedure if required (indicated by the complete breaking of the foam).
- Rinse cleaned surfaces with potable water before returning to the processing area.
- Use only in well ventilated areas and do not apply to very hot surfaces.
- Store below +50°C, out of direct sunlight.
- Shelf life is 2 years from date of manufacture.
- Consult safety data sheet before use.

Specifications

- ROCOL FOAM CLEANER Spray does not contain: mineral hydrocarbons, animal derived materials, nut oils or genetically modified ingredients.
- NSF A1 Registered - 123858

FOAM CLEANER Spray

Powerful fast acting foodsafe foam cleaner

Property	Test Method	Result
Appearance	Visual	White foam
Base type	N/A	Blend of surfactants (cleaning agents)
Solvent	N/A	Water
Propellant	N/A	LPG (hydrocarbon)
Odour	N/A	Characteristic
Water Solubility	N/A	Soluble
Metal Detection:		
Aerosol Cap	Equivalent sphere size	>3.0mm
Actuator	Equivalent sphere size	>3.0mm

Values quoted above are typical and do not constitute a specification.

FOAM CLEANER Spray is produced at a Halal Control Certified Site (Swillington UK) and is certified as Halal only where the Halal Control Logo is displayed on the product label (certificate registration number C-912-350-05-01/1).

Metal detectable caps to reduce potential contamination risk.

Safety Data Sheets

Safety data sheets are available for download from our website www.rocol.com or may be obtained from your usual ROCOL contact.

The information in this publication is based on our experience and reports from customers. There are many factors outside our control or knowledge which affect the use and performance of our products, for which reason it is given without responsibility.
