

Holder for reverse counterbore for replaceable TUB guide bush

For reverse counterbore no. 11590-11593

Application:

For reverse counterbore no. 11590-11593.

Execution:

- Precision-ground hardened steel with HB straight shank

Advantage:

- High-quality ground steel ensures a long service life
- High flexibility: one holder for various diameters with any diameter size deliverable at short notice
- HB straight shank keeps the holder firmly in place in the spindle
