

DEGUSSIT knife file

Type 9010 D

Application:

For all grinding, deburring and precision grinding work, for resharpening all kinds of tools and for machining hard or abrasive materials such as quartz, glass or ceramics.

Advantage:

- High resistance to wear and changes in shape due to the hardness of the crystals
- Achieves excellent surface finish and accuracy of shape during precision work

Delivery:

In case

Art. no.	69386 010
Brand	FRIATEC
Manufacturer Part Number	F901-41291-0
Length	100 mm
Surface structure	Fine
Number of pieces per packet	1 PCS
Width	15 mm
Thickness	3 mm
Gross Weight	0.020 kg
Product Group	6HD
