

This easy to use, stand-alone meter features an 18" flexible clamp that allows access into panels and hard to reach areas (bundled wires, awkward conductors and PLC cabinets). True RMS readings with CATIV 600V or CATIII 1000V safety ratings. Features Backlit LCD Display, Auto-power Off after 15 minutes, Max/Min, Hold, Auto-Ranging and Low Battery icons.

## Specifications

<b>Type:</b>	Flexible AC Current Clamp	<b>Application:</b>	Measures AC current
<b>Special Features:</b>	Auto-power Off, Max/Min, Hold, Auto-Ranging and Low Battery Icons	<b>Material:</b>	ABS
<b>Batteries:</b>	2 x AAA	<b>Auto Shut Off:</b>	Yes
<b>Jaw Size:</b>	18" (457.2 mm)	<b>Drop Protection:</b>	6.6' (2 m)
<b>Display:</b>	Backlit 3000 Count	<b>Functions:</b>	Auto-range, Hold, Max/Min Value, Auto-power Off
<b>Current:</b>	0.01 to 3000A AC	<b>Standard:</b>	CATIV 600V, CATIII 1000V, Class 2
<b>Included:</b>	Carrying Case, Instruction Manual and 2 x AAA Batteries	<b>Weight w/batteries:</b>	6.6 oz (187 g)
<b>Overall Length:</b>	10.5" (266.7mm)	<b>Overall Height:</b>	1.06" (26.9 mm)
<b>Overall Width:</b>	4.12" (104.6 mm)	<b>Weight:</b>	5.9 oz (167 g)
