

## Universal magnetic vice jaws 100, 120, 125, 140, 150 and 160 mm

Aluminium with felt covering

### Application:

For simple and quick attachment to all vices.

### Execution:

- With integrated permanent magnet
- Aluminium body with clamping surfaces made of abrasion-resistant felt
- The felt largely adapts to the contours of the workpiece
- Allows even the most delicate components to be securely clamped

### Advantage:

- Precise and gentle clamping

### Delivery:

In pairs
