To: Valued Customer
From: Littelfuse Product Management

Subject: U.S. Sensor Plant Transfer from Orange, California to Matamoros, Mexico

Littelfuse, Inc. would like to notify you of an upcoming manufacturing transfer for the Littelfuse U.S. Sensor products currently manufactured in Orange, California. These products will be transferred from our Orange, California facility to our Matamoros, Mexico facility. The qualification process has started and the products are expected to be manufactured in Matamoros, Mexico in Q3 2018. Product manufacturing locations are planned to be as follows:

Timeframe	Manufacturing Location
Until April 1, 2018	Orange, California
April 1, 2018 – Q3 2018	Orange, California and Matamoros, Mexico
Q3 2018	Matamoros, Mexico

With this transfer, Littelfuse will continue to provide best in class product and service to our customers by consolidating the manufacturing locations to our existing facility in Matamoros, Mexico. Our Matamoros facility has manufactured electronic and automotive sensor products for over 20 years, including occupancy, position, speed and fluid sensors and is ISO9001, ISO14001 and TS16949 certified. Transferred products will meet the required qualification from the Matamoros factory in accordance with established performance and reliability criteria. Qualification report and/or samples will be available upon request.

Please note the following important information:

Form, fit, function changes: None

Part number changes: No part number changes are planned but we will notify you of any exceptions if such arise

Distinction of products: Box and label changes to reflect the new manufacturing location

This notification is for your information and acknowledgement. Samples from our Matamoros plant are expected to be available starting in the middle of March 2018. If you require specific data or product samples to certify this manufacturing location change, please contact Littelfuse within 30 days of the notification date. This notice is subject to change. We will keep you posted on any further updates or changes to this transfer.

If you have any questions or concerns, please contact your local Littelfuse sales representative. We value your business and apologize for any short-term inconvenience this may cause. We are confident that this move will enable us to better serve your needs in the future. Thank you for your continued support.

Best regards,
Joshua Koepfel,
Project Manager
Electronics Business Unit
