NEW
Universal Toner

For use in Canon iR-1600, 1610, 1630, 1670, 2000, 2010, 2016, 2020 (type C-EXV5, C-EXV14)

With the iR-1600 and iR-2016 multifunctional devices Canon is offering two compact, cost effective digital copier and printer both deliverying consistently high quality of textes and images. While the iR-1600 provides 16ppm output at 1200x600dpi in copying mode and 2400x600dpi with the network printing option the

multifuncitonal iR-2016 offers 16ppm output and is the ideal network focal point for all document activities that enhances communication of small offices and work groups. The intelligent send functionality allows to scan in colour and black&white documents and convert them to JPG, PDF or TIFF format and forward them instantly to email addresses.

While the OEM (Canon) is offering two different toner for these two machines CROSS is offering an universal toner cartridge for OEM equivalent performance and image quality at substanially lower cost. This toner is therefore not only enlarging CROSS's range of premium quality toner for use in Canon copiers/printers but also provides to distributors and dealers an excellent business opportunity and trouble free logistics without compromising on quality.

Advantages & Benefits

- OEM equivalent performance and image quality.
- Significant reduction of cost per copy price.
- Universal toner cartridge that replaces two OEM cartridges.
