## Toner for use in

Canon iR-C5030, C5030i, C5035, C5035i  
(type C-EXV29, GPR-31)

The Canon Image Runner iR-C5030 and C5035 are two just recently introduced Multifunctionals featuring print, copy, scan and fax functionality and a compact design. Both devices are fully integrated document systems complementing every stage of the document processing by enhancing document production, communication and delivering outstanding performance and value.

With print-speeds of 30 or 35ppm in colour and b&w both of these space saving colour-devices are providing outstanding colour prints whilst meeting highest security requirements. The inclusion of duplex and a wide range of media compatibilities and finishing options are further features of these new multifunctionals.

Printing-cost of these colour machines however can be significantly reduced without compromising on image-quality or performance by using CROSS Imaging-Supplies' Premium Quality compatible colour toner (made in Japan).
