

Flat magnetic grips, neodymium

in rubber for cable assembly

Application:

Route cables and hoses securely

Execution:

- Magnet with rubber-coated adhesive surfaces - protects the contact surface from scratches
- Screwed-on plastic loop for carrying out or securing cables or similar
- Max. operating temperature 60°C

Art. no.	51149 810
Brand	BAUER & BÖCKER
Manufacturer Part Number	116/31
Outer diameter	31 mm
Height	16 mm
Adherence strength	89 N
Gross Weight	0.026 kg
Product Group	592

EAN

4260131238345
