

**Article: KPPAC5066B00I / KPPAC5066T00I**

**Technical data**

*BOPP Tape, low noise with acrylic*

|   | Method<br><i>Metodo</i> | u. m.       | Typical value<br><i>Valore tipico</i> | Tolerance<br><i>Tolleranza</i> |
|---|-------------------------|-------------|---------------------------------------|--------------------------------|
| <b>Backing thickness</b><br><i>Spessore supporto</i>                                      |                         | µm          | <b>28</b>                             | ± 5%                           |
| <b>Total thickness</b><br><i>Spessore totale</i>  |                         | µm          | <b>48</b>                             | ± 5%                           |
| <b>Longitudinal tensile strength</b><br><i>Carico a rottura longitudinale</i>             | <i>AFERA 5004</i>       | Kgs/2.5 cms | <b>8</b>                              | 7 ÷ 9                          |
| <b>Longitudinal elongation at breakage</b><br><i>Allungamento a rottura longitudinale</i> | <i>AFERA 5004</i>       | %           | <b>175</b>                            | 135 ÷ 215                      |

*Available colours*

*transparent, brown, white*

*Backing*

*bioriented polypropylene (BOPP)*

*Adhesive Tape*

*Acrylic*

**APPLICATION**

*Low Noise packaging tape for medium weight boxes.*
