Features:

INSPECTION BEAM OPTIC

Never miss a detail. The Inspection Beam cuts clean, consistent light from edge to edge to evenly illuminate work spaces. Engineered for pen lights that fit in the pocket, this beam simplifies up-close work and brightens hard-to-reach objects at up to 30 feet / 9 meters.

SINGLE MODE

The same light every time. Keeping it simple with COAST single-mode lighting means you can rely on an even, bright white beam every time.

WATER RESISTANCE

Don't worry about the weather. COAST lights that have passed the IPX4-level water resistance test are splash-resistant and built with durable materials that stand up to nature.
