

TONER FOR USE IN

Konica Minolta Bizhub C458, C558, C658
(Type TN-514)
Develop Ineo +458,+558e,+658

The Konica Minolta Bizhub C455, C558 and C658 are powerful multifunctional format printer providing high-quality A4 and A3 prints at printing-speeds of 45/27ppm, 55/27ppm, respectively 65/275ppm color/b&w. All these devices are optimised for use in workgroup setting and offer cost-effective printing and high-quality output.

These devices are equipped with the latest generation multitouch panel, customization options, intuitive interface and features for economical and ecological printing, such as induction heating and low power consumption. Wide scanning and versatile finishing options as well as other smart options make these machines and the equivalent Develop brand machines to highly efficient and productive devices that seamless integrate in any production or large office environment.

Printing-cost of these devices can be reduced significantly without compromising on image-quality or performance by using CROSS Imaging-Supplies' Premium Quality compatible colour-toner whereof the K-toner can be used universally for the Konica Minolta Bizhub color and monochrome machines also as well as in the equivalent Develop machines. These universal toner are deliverable as finished products in cartridges and in bulk for re-filling of empty OEM cartridges.

ADVANTAGES & BENEFITS

- OEM equivalent performance and image-quality
- Significant reduction of cost per copy
- Sourced directly from the manufacturer
- Also as bulk toner available local filling (toner CSR-01, carrier CAR - A)
- Technically supported by the toner manufacturer
- Competitively priced premium quality product
- Deliverable from Warehouse in Rotterdam/NL
- Discounted samples for testing
- Selective distribution through competent reseller only
