

JBC HT470K

Heavy Duty Kit

HT470K Heavy Duty Tweezers Kit works exclusively connected to two HDE Control Units.

It works with C470 Cartridge Range.

HT470K comes with HT470 Heavy Duty Thermal Tweezers and HDTs Stand.

HT470 Heavy Duty Tweezers are designed to reduce the soldering time in applications that require a large amount of heat.

Some examples of application are: coaxial cable shield soldering in telecommunication antennas, large copper conductor soldering in medical imaging scanners, etc.

Control Units are not included.
