

Cruzer Blade

Highlights text

- Removable USB 2.0 storage medium (downward compatible with USB 1.1)
- Especially small and ideal for travel
- Trendy high-gloss look
- With SanDisk SecureAccess software: protects your private data in an encoded, password protected folder + up to 2 GB free online backup

System Requirements:

- Operating system: Windows 2000/ME/XP/Vista, Linux, Windows 7, MacOS X Ver. 10.1.2 or higher

Note for Consumers:

Advantages of the SanDisk SecureAccess software:

- Protected access - your private files are protected by a personal password and automatically encrypted using 128-bit AES encryption
- Easy to use - simply drag-and-drop files into a private folder or "vault" on your SanDisk USB flash drive
- Secure online backup - includes the additional protection of secure online backup (up to 2 GB) offered by Dmailer2
- Encrypt your private data with the SanDisk SecureAccess software (download and further information at www.SanDisk.com/SecureAccess)
