

**Product Name - Safety Pack Measuring Cylinder Set with 3 Droppers & 2 Cleaning Brushes - 5ml, 10ml, 50ml & 100ml - Class B**

8 piece Measuring Cylinder set. Includes four graduated cylinders with 5ml, 10ml, 50ml, and 100ml capacities. Class B. Cylinders feature blue, printed graduations, round bases and spouts. Uniform, thick walls provide excellent mechanical strength against breakage. Set also includes two 1ml ungraduated glass droppers, one 1ml graduated dropper and 2 cleaning brushes. Set is packaged in a custom fit, thick foam casing, for secure storage and safe transport.

Autoclavable at 121°C, with superior chemical durability.

**Manufacturers Code - CH202002**
