

## Group workbench, series VG, hexagonal

solid beech, 6 cabinets each with 4 drawers with full extension and 1 door

### Application:

Many different combinations and configurations in line with operational requirements. The space-saving and clearly-arranged nature of group workbenches means that they allow work-places to be tailored to the task at hand and optimum working procedures.

### Execution:

- Base cabinets made of solidly-welded sheet steel
- 6 base cabinets equipped with 4 drawers with 100% full extension, 1 x front height 60 mm, 2 x front height 90 mm, 1 x front height 120 mm, 1 x front height 360 mm

### Delivery:

Unassembled, assembly service upon request.
