

Measuring instrument holder

Application:

For mounting measuring instruments, e.g. micrometers, to keep both hands free while measuring.

Execution:

- Clamping element with adjustable angle
- For micrometers with measuring ranges up to 300 mm
- Heavy cast iron stand for stable positioning

Art. no.	31415 010
Brand	TESA
Manufacturer Part Number	00160201
Max. clamping width	16 mm
Gross Weight	1.465 kg
Product Group	362

EAN

7630041104288
