Application:

As a switching magnet or sensor magnet

Execution:

- By lining up individual magnets, bar magnets can be formed in any length.

Art. no.	51178 502
Brand	ORION
Manufacturer Part Number	51178502
Diameter	8 mm
Diameter x length	8 x 24 mm
Adherence strength	6 N
Gross Weight	0.009 kg
Product Group	592

EAN

4039247263165
