

Locking pliers with parallel adjustment for round parts

Fork-shaped clamping arms

Application:

For centred clamping of round elements with the same diameter.

Execution:

- Chrome-vanadium steel, tempered
- Tempered rail
- Infinitely variable clamping
- Includes protective caps
- Gentle clamping of delicate surfaces

Advantage:

- Two round elements of the same diameter are centred via the fork-shaped clamping arm and two v-blocks

Art. no.	53427 060
Brand	BESSEY
Manufacturer Part Number	GRZRO
Min./max. clamping width	0-110 mm
Surface	Zinc plated
Gross Weight	1.426 kg
Product Group	517

EAN

4008 158009667
