

Deb Cradle Skin Sanitiser

Alcohol gel based instant skin sanitiser for the rapid and convenient disinfection of hands of outdoor workers.

Usage: Use throughout the day to sanitise the skin after contact with potentially unhygienic surfaces or substances. Particularly important to use after skin contact with sewage, drain effluent, or stagnant water.

Features & Benefits

Advanced alcohol gel formula is easy-to-apply to provide an economical and convenient method of rapidly disinfecting clean skin.

Contains Panthanol to help condition the skin and prevent dryness.

No need to rinse with water or wipe-off with towels.

Meets microbiological performance standards EN12054, EN1275 and EN1500.

Excellent bacteria static activity against gram +ve and gram -ve bacteria and fungi.

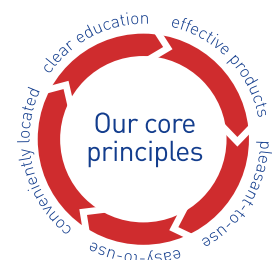

Dries quickly on the skin to leave a smooth, non-greasy after-feel.

Many years proven use through millions of applications.

Not tested on animals.
