

LONG LIFE

Reduces limescale deposits

Optimises performance

Easy to install

CalBlock⁺ slim replacement cartridges

Anti-limescale filter replacement cartridge for all washing machines and dishwashers

CHARACTERISTICS

The professional **CalBlock+ system** offers **full protection for your appliances**. It includes polyphosphate crystals and a mechanical filter that **effectively protects the inner parts of your machines** (heating element, electric valve, tubes, filters) from limescale and other sediments like rust or sand. It contributes to **reduce the hardness of the water, ensuring detergent savings and better washing performances**. It works at its best at low temperatures (up to 60°C).

THE RECOMMENDATION OF WPRO

Replace the cartridge every 4 to 6 months for best performance.

| | LxHxW (cm) | Weight (Kg) | Qty |
|----------|------------|-------------|------|
| Product: | 6x6x13 | 0.12 | 2 |
| SubPack: | 60x40x40 | 13 | 108 |
| Pallet: | 80x80x120 | 208 | 1296 |

CONSUMER BENEFIT

- Reduces limescale deposits:** thanks to the polyphosphate crystals and the mechanical filter
- Saves detergent:** while softening the water, it's helping you to reduce the quantity of detergent you use for each cycle
