Cable Tie, 202x3.6mm, Green Plastic Barb

Cable ties in high industrial quality with rounded edges to prevent cable damage. Inclined tip to indicate usage direction and quick installation time. Material: Polyamid 6.6 Temp range: -40 degrees Celsius to +85 degrees Celsius Flammability rating: UL94-V2

## Product Properties:

|                                                                           |                   |
|---------------------------------------------------------------------------|-------------------|
| <b>Model</b>                                                              | Internal toothing |
| <b>Material quality</b>                                                   | Polyamide (PA)    |
| <b>Band closure</b>                                                       | Plastic lip/-cam  |
| <b>UV-stable acc. ASTM D6779</b>                                          | No                |
| <b>Transparent</b>                                                        | No                |
| <b>Solvable fastener</b>                                                  | No                |
| <b>Text strip</b>                                                         | None              |
| <b>Type of fastening</b>                                                  | None              |
| <b>Colour</b>                                                             | Green             |
| <b>Surface protection</b>                                                 | Untreated         |
| <b>Material</b>                                                           | Plastic           |
| <b>Halogen free</b>                                                       | Yes               |
| <b>Inflammability class of insulation material according to with UL94</b> | V2                |
| <b>Operating temperature</b>                                              | -40-85 °C         |
| <b>Max. tensile force</b>                                                 | 180 N             |

## Dimensions:
