# Table scales WTB

KERN®

Application:

Suitable for the increased hygienic requirements in the food industry

Execution:

- Supports you in your HACCP-compliant quality system
- Dust and splash water protection IP65 (only in battery mode)
- Very fast display: steady weighing values within approx. 2 s
- Second display on the back of the scales
- Compact dimensions, advantageous in limited space
- Innovative weighing with tolerance range (checkweighing): The colour of the display changes depending on the weighing result (too light/ok/too heavy) and thus assists portioning, dosing and sorting
- High mobility: Battery operation (optional) and compact, lightweight design allow for use in multiple locations
- Recessed handles on the underside for convenient transport of the scales
- with special checkweighing display and degree of protection IP65

Delivery:
